We would like to say good bye and a big **Thank You** to Chris Pullen for his work as PAC President for the last two years. We wish you all the best in your new job and are sorry to see you and your family moving away.

This year we started a room parent program. Each classroom had one parent assigned to be the contact person for the class. This has worked very well.

Parents have helped in a variety of ways such as organizing the emergency call list for the class, Handing out and collecting any paper work for the PAC. and rolling many pennies!

Also any jobs the teacher has asked to be done. If you would like to volunteer as a room parent for your class next year please contact Kia at [us@robertson3.com](mailto:us@robertson3.com)
