

At NGE, students are expected to exhibit a commitment to learning and to achieving success. The code of conduct at NGE explains guidelines for appropriate student behaviour which shows that students are expected to take personal responsibility for their behaviour. This responsibility applies to academic responsibilities, the treatment of others and the use and care of school facilities and resources. North Glenmore Elementary School

Code of Conduct

A school's Code of Conduct is established to help maintain a safe, caring and orderly environment for learning.

School Rights & Responsibilities

Some of the things we expect at our school include:

- showing good manners;
- respecting self, others & property;
- giving best effort at work & play;
- making safe choices;
- honesty;
- punctuality in attendance;
- using appropriate language;
- following school guidelines and
- showing responsibility and leadership.

Our school has identified "Rights and Responsibilities" for all students and "School-Wide Expectations". These are the foundation of our Code of Conduct. These responsibilities and expectations are taught to all students at the start of every school year. In September, students visit various Effective Behaviour Stations to learn and review expectations all around NGE. Our Code of Conduct is also located and reviewed on our website under the "About our School" tab:

http://www.nge.sd23.bc.ca/about_our_school/code_of_conduct/Pages/default.aspx

DISCIPLINE PROCEDURES

In the event of a violation of our Code of Conduct, the staff will endeavour to act consistently by:

- communicating with all individuals involved,
- determining all of the facts, and
- treating students with fairness and respect.

NGE recognizes that each incident must be dealt with on an individual basis, dependent upon severity, circumstance and history. Every effort will be made to suit the consequence to the student and the situation. As students move through the grades, there is an increased expectation for personal responsibility / increased consequences for inappropriate behaviour. Special consideration may apply to students with special needs who are unable to comply with expectations. Whenever possible, the student, with the support of an administrator, teacher, counselor and/or guardian, will be involved in solving the problem.

NGE promotes the BC Human Rights Code respecting the rights of all those in accordance with the law – prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, gender or sexual orientation. Behaviour that discriminates based on any of the prohibited grounds listed will be treated seriously.
